TEAM 2 INCORPORATION

Computer Operator

Over a transformative half-year span, I contributed my expertise to Team 2 Incorporation, a respected private enterprise based in Vaniyambadi, devoted to the noble mission of building homes and structures. As a Computer and Data Entry Operator in a senior capacity, my role transcended mere administrative tasks. I diligently handled various duties, including maintaining crucial client information, managing databases housing vital data, ensuring meticulous financial record-keeping, and overseeing inventory management with precision. I also led initiatives to enhance the organization's technological proficiency, seamlessly integrating advanced tools for improved operational efficiency. Moreover, I played a pivotal role in ensuring accurate record-keeping processes for emerging ventures, aiding in establishing solid foundations for growing businesses.

AR-RAHMAN HOSPITAL

System Administrator

For a year, I held a part-time position as a System Administrator at AR-Rahman Hospital in Vaniyambadi. In this role, I performed diverse tasks encompassing web development, computer operations, data entry, Tally accounting, and digital poster design. My responsibilities included overseeing all accounting transactions, managing balance sheets, profit/loss statements, and utilizing advanced MS Excel skills. Furthermore, I created posters and designs, wrote code, updated websites, designed layouts, and edited content. I also engaged in tasks relevant to the medical field, demonstrating versatility in my contributions to the hospital's operational and promotional endeavors.
