WORK EXPERIENCE

Analyst II Infrastructure Services

DXC Technology, Virtual

Job • Dec 2022 - Present (10 months)

I'm working as a Linux administrator mainly focusing on managing Linux and AIX servers.

Patching, migration, firmware upgrade are some of the major insights on which I have worked.

Subject Matter Expert (SME)

Angstrom Education Private Limited, Virtual

Internship • Mar 2022 - Jun 2022 (3 months)

Having worked as a Subject Matter Expert in the organisation mainly focussing on topics related to physics, chemistry and general knowledge gives me confidence to explore other fields of writing as well.

POSITIONS OF RESPONSIBILITY

I have been part Model United Nations society of my college for four years.

Served as a director general for one year in the society.

Headed the post of vice president of MUN society of my college.
