OBJECTIVE

Seeking a challenging position in the finance field to leverage my strong analytical skills to contribute to the growth of a dynamic organization.

EXPERIENCE

2019 - Present

- **CEO and Stock Market Instructor**

Stockholm Education

- Founded and lead a successful educational institution focused on teaching the intricacies of stock market investing.
- Developed and delivered comprehensive curriculum covering fundamental and technical analysis, risk management, portfolio management, and trading strategies.
- Mentored aspiring investors and provided personalized guidance to help them achieve their financial goals.
- Successfully grew the institution's enrollment and reputation through effective marketing and public relations efforts.

2022 June - Present

- **CEO and Sports Education Promoter**

Soccerhome Sports Hub

- Established and managed a state-of-the-art sports hub equipped with modern turf fields for a variety of sports.
- Pioneered innovative sports education programs for children and adults, emphasizing the importance of physical activity, teamwork, and healthy lifestyle.
- Organized and conducted sports camps, clinics, and tournaments to nurture athletic talent and promote sports participation in the

community.

- Collaborated with local schools and sports organizations to expand the reach of sports education programs and create opportunities for aspiring athletes.
