## WORK EXPERIENCE

### Grorapid Labs | Business & Data Analyst

Sep 2023 – Present

As a Business and Data Manager at Grorapid Labs, I streamlined data processes with advanced Excel and Python scripting, significantly improving accuracy and processing time. I automated tasks, enhancing efficiency, collaborated cross-functionally for insightful, data-driven decision-making, and prioritized clear documentation. I also successfully scraped, stored, maintained, and refined approximately 50,000 records of valuable data.

**Tool Utilized** - Google Sheets, MS-Excel, Python Scripting, Data Scraping, Power BI, D7 Lead Finder
