ENGLISH

Full Professional Proficiency

HINDI

Full Professional Proficiency

BENGALI

Native or Bilingual Proficiency

EDUCATION

Bachelor of Technology in Information Technology Institute of Engineering & Management, Kolkata

10/2020 - Present

(CGPA till 6th sem) : 9.11

PERSONAL PROJECTS

Responsive Spotify Clone (10/2023 - 12/2023)

- Developed a responsive Spotify clone with HTML, JavaScript, and CSS, addressing mobile and desktop usability gaps absent in the original Spotify interface. Notable features include play, pause, and playlist creation. This project showcases expertise in responsive design, ensuring a seamless user experience across diverse devices-filling a void in the non-responsive official Spotify application.

EMPLOYEE MANAGEMENT SYSTEM (05/2022 - 07/2022)

- Employee Management System is a project which has been done using DBMS and also by using HTML, CSS and Django along with SQL as database. Employee Management System is a program to automate or computerize all employee management operations.

Memory Game (03/2022 - 04/2022)

- Click on same colour cards to match them. HTML, CSS, Javascript have been used here.

WORK EXPERIENCE

Data Science Intern Codsoft

09/2023 - 10/2023

Tasks

- I had the privilege of interning at CodSoft as a Data Science Intern. During this enriching experience, I had the opportunity to work on three exciting and educational projects: Titanic Survival Prediction, Movie Rating Prediction with Python, and Iris Flower Classification.

J.P. Morgan Software Engineering Virtual Experience on Forage - January 2024

J.P. Morgan

Achievements/Tasks

- Set up a local dev environment by downloading the necessary files, tools and dependencies. Fixed broken files in the repository to make web application output correctly.

STUDY ABROAD PROGRAM(SAP) National University of Singapore

08/2022

Course on

- "Artificial Intelligence, Internet of Things, Machine Learning & Data Analytics-- FUNDAMENTALS" where i achieved Solid foundation in Artificial Intelligence principles and methodologies. Comprehensive understanding of Internet of Things (IoT) and its integration with AI.

ACHIEVEMENTS

Certificated for Study Abroad Program at National University of Singapore (08/2022)

Certified for successfully Organizing IEM-UEM Marathon 2022 (10/2022)
