Banasmita Das

Support Executive | Digital Creator
Bengaluru, Karnataka, India

Summary

I am fascinated by digital marketing.

I have completed my B. Tech in Civil Engineering at Central Institute of Technology, Kokrajhar.

After finishing my B. Tech, I have worked for one one-year as an Administrative Assistant at Montessori Training Institute. By then pursued my M. Tech in Environmental & Management at Pondicherry University. Also, I have split my educational focus into Digital Marketing and Excel to gain more knowledge
