

JOHN LLOYD BELARMA

FREELANCER- SEO

Profile

As a freelancer specializing in link building and outreach, I create customized strategies to secure high-quality backlinks that boost my clients' SEO performance. I excel at building strong relationships with influencers and webmasters to drive traffic and improve search engine rankings.

Work Experience

AGN Services LLC

2024-
Present

Google My Business Profile Verifier

- Verify and optimize business listings on Google, ensuring accurate and up-to-date information such as business hours, location, and contact details.
- Work with business owners to resolve issues, manage reviews, and improve their visibility on Google Search and Maps through effective profile management.
- Monitor and manage customer reviews, responding to feedback and helping businesses maintain a positive online reputation.
