## ABOUT ME

Final year literature student experienced in research-based writing.

Well-versed in the language.

Skilled in writing, researching, proofreading, and presenting content to an audience.

An avid reader with a good grip on vocabulary and grammar, well acquainted with marking and critical literature analysis.

Capable of editing content to communicate better with the audience and ameliorate the readability of the content.

Well-equipped for paraphrasing, reading scholarly articles to create well-researched content with citations.
