Professional Summary

Dedicated and detail-oriented News Curator, Media Analyst, and Content Researcher with over 9 years of experience in news monitoring, content verification, transcription, and research. Proven track record in fact-checking, public relations, and media analytics. Adept at working in high-pressure, fast-paced environments, ensuring accuracy and credibility. Strong expertise in remote collaboration, AI-assisted news analysis, and digital media research.

Professional Experience

Vaco Binary Semantics | News Curator (2019 - 2024)

- Monitored and verified over 500+ news stories weekly using AI-enabled dashboards, ensuring 99% accuracy in news labels.
- Fact-checked and validated content, reducing misinformation spread by 30% across monitored platforms.
- Collaborated with global teams in a 24x7 newsroom, streamlining workflows and improving approval speed by 40%.
- Managed a remote content team, training new curators on AI-based media monitoring and news verification tools.

Press Monitor | Sub Editor (2017 - 2019)

- Transcribed and translated (Hindi/Bengali to English) 200+ hours of news content for major political events.
- Conducted content summarization of key debates, ensuring crisp 1200-1500 word reports for media syndication.
- Developed a streamlined process for speech transcription, reducing turnaround time by 25%.

Datanet India | Assistant Research Editor (2015 - 2016)

- Led content verification and research-based editorial work, assisting in primary book research and preface writing.
- Engaged in data-driven content structuring, improving readability and factual accuracy.

Leadtech Management Consulting | Media Analyst (2014 - Lok Sabha Elections)

- Conducted political research and constituency profiling, leading to accurate voter trend analysis.
- Analyzed media coverage and election data, supporting campaign strategists with actionable insights.
