Work Experience:

Freelance under GAURAM & Co. (June 2018 to till Date)

Fusion Factor:

I did a contractual agreement with Fusion Factor, it's a network company where I was looking into Social Media Marketing, weekly Analysis Blog, and its updates on Websites

DrXperts.com:

In this Assignment, I have written 96 1000 to 1200-word articles and uploaded them on the company website.

J Global Solutions:

I have designed an SEO Content Website for an Export company that deals in Indian vegetables and Cereals. However, in 2020, due to the pandemic company was closed, and the website was also closed. I do have Content with me as a work proof.

I have also provided services to Gusworks, Egyan Hub, DuFlex info and many more

Job Details Health care Industries (Field Work) May 2008 to June 2021:

I have started my career with Cipla Ltd. As a baseline manager, I have ended up with a Business Manager throughout the Journey. During my tenure, I have gained Experience of the Expansion and Retention of my business. Also got rich experience in developing and training the team. With that, I have also organized as well as attended many Seminars (CME/ All India doctors meet). As a Social responsibility, I have also been exposed to organizing camps and clinics for poor patients and providing them with medicine at very minimal rates. These are some of the major companies I have worked with in my 15+ years of Tenure. **Mani Medical India, Axa Parenterals Ltd., Ascensia Diabetes Care, Boehringer Ingelheim, Cipla Ltd.**
