- Proudly blood Donor
- Perform multiple stage performance at school level

## Strength

- Familiar to Google Workspace
- Flexible and Adaptable
- Active Listening
- Enthusiastic, Adaptability

## Language

- English
- Hindi
- Punjabi

## About Me

I'm presently in the process of earning my MSc in Data Science and Machine Learning, having previously earned a BCA degree from Pt. Neki Ram Sharma Govt College. My educational journey has taken me to different places during my schooling. I'm now eager to join a forward-thinking organization that embraces novel viewpoints and excels in solving intricate problems.

## Education

### Masters in Computer Science ( Data Science and Machine Learning )

*Maharishi Dayanand University*  
2022 - 2024

### BCA, Maharishi Dayanand University

2015 - 2018

## Knowledge & Tools

- Python
- ML & AI libs
- Visualization libs
- Information Security libs
- Data Management libs
- Data Mining
- Statical & Critical Analysis

- Advance Python
- Jupyter Notebook, Anaconda, VSCode, Google COLAB
- MATLAB
- RStudio

## Interests

- Reading books on public figures
- Listening Panjabi sufi music
- Playing volleyball & E-sports
- Collecting knowledge about current AI Tools
- Prompting in ChatGPT, Dalli2
- Attention to Detail
