Ludhiana, Punjab

EDUCATION

Bachelors of Engineering in Computer Science

Chitkara University

2019 - Present Rajpura, Punjab

CGPA

8.32 / 10

Class 12th (Non-Medical)

Green Land Convent School

2018 - 2019 Ludhiana, Punjab

%

71.2 / 100

Class 10th

Green Land Convent School

2016 - 2017 Ludhiana, Punjab

CGPA

9.4 / 10

PROJECTS

Gender Detection Using Open CV

07/2022 - Present

Detection of Gender Using Web Camera of computer

- This Project Detects The Gender of a person using web camera .
- It uses a hybrid deep learning CNN-ELM model for gender detection
- Libraries used are Keras ,Tensorflow,Open CV, Numpy Sckit-learn

IPL Win Prediction

11/2022

The project predicts the winner for the given condition of both teams using machine learning.

- The project predicts the winner with the accuracy score of 83.5.
- The Historical IPL Match Data from 2008 was used
- The Dataset used contains each ball detail of the matches.
- This project uses Keras, tensorflow, Numpy, pandas libraries.

PUBLICATIONS

RESEARCH PAPER (CONFERENCE)

Publication Title: 2023 3rd International Conference on Advance Computing and Innovative Technologies in Engineering (ICACITE)

04/2023 Rajpura, Punjab

Paper Title: Analyzing the Effectiveness of Machine Learning Models in Nifty50 Next Day Prediction: A Comparative Analysis eCF Paper Id: 523674

ADDITIONAL SKILLS

Communication skills, Time Management, Team player

Ability to work with people and have good communication skills, Good at managing time according to work priorities, Good at working with people and adapting according to their needs

SKILLS
