## Summary

As a Link Builder and guest Post Specialist, I work with a talented team to build high-quality and relevant backlinks for various clients, such as Addmotor.com, Tiktocio.com, Lumbuy.com, and many others. We use strategic link-building techniques, content marketing, guest posting, email outreach, and blogging to enhance the websites' search engine rankings, authority, and online visibility.

I have two years of hands-on experience in link-building and SEO, and I am proficient in fundamental link-building strategies and possess strong outreach and communication skills. I have completed multiple courses and certifications from LinkedIn and Udemy, which have equipped me with the latest skills and knowledge in the link-building and SEO industry.

Currently, I am pursuing a bachelor's degree in computer science from Virtual University, which will help me to further develop my technical and analytical skills. I enjoy collaborating with other link builders and SEO specialists as a team player, and I am committed to staying updated on the latest industry trends and best practices.

I am open to working on link-building projects, as well as remote link-building roles, to broaden my experience and contribute to the success of the clients. So, if you are seeking a link builder with skills and experience, please feel free to get in touch with me or DM me on Skype.
