## Objective

A dedicated and experienced teacher seeking a challenging role in a dynamic educational environment to utilize my skills and knowledge to inspire and motivate students to reach their full potential.

## Experience

- Adarsh Home tutorial** Aug 2022 - Jan 2023

Teaching

3 years of experience in teaching and developing curriculum for diverse student populations other than tutorial referrals.

Assessed student performance through formal and informal assessments, and provided constructive feedback to support student growth.

Utilized a variety of instructional strategies, including hands-on activities, technology, and project-based learning to engage students and promote critical thinking.

Built strong relationships with students and families, fostering a supportive and inclusive classroom environment.
