Summary

Recent MBA graduate in Operations and IT and Business Research Analyst , with expertise in project management and Analytics skills, seeking to work on an organization that provides me with ample opportunities to enhance my skills and knowledge along with contributing to the growth of organization.

Experience

Operations Team Member

Manvik Technologies

Jun 2022 - Aug 2022 (3 months)

I was working as a member of the operations team and learning new skills as well as upgrading.

I was responsible for reviewing company data, building reports on these findings and recommending programs to improve the company's performance and improving policies, adjusting logistics

Human Resources Executive

chiranjivi business solutions opc pvt ltd

Jun 2022 - Jul 2022 (2 months)

As an HR intern at Chiranjivi Business Solution, I was responsible for posting new job openings on LinkedIn and collecting and shortlisting resumes to identify qualified candidates. During my internship, I gained experience in recruitment processes and software, communication skills, and the ability to work under pressure.

Owner

Nature's Pride.

Aug 2017 - Jul 2021 (4 years)

I worked on agriculture with my family and learned how we grow crops in hilly area. Use to maintain the quality of farms, crops, and livestock by operating machinery and doing physical labour under the supervision of farmers, ranchers, and other.
