PERSONAL SUMMARY

I consider myself as a competent, diligent and experienced law graduate, willing to dedicate myself in drafting, research, legal procedure and associated work. In my experience as a law student, I have not only learnt to work hard, but also found subtle and smart ways of getting tasks done. I also possess drafting and research skills. I believe in finishing any and every task put in front of me and that is why I believe that I have knowledge and legal experience of multiple fields in law including criminal, civil, IP, family law, arbitration, indirect tax, company law and real estates. I am looking for an adequate opportunity to gain experience and produce results for your organization/chamber/ office.
