

Ishita Sharma

Engineer

Profile

Being a young, curious, self motivated fresh blood, I am extremely keen in pursuing this internship. A quick learner, always keen to upskill myself whenever I get the opportunity to do so. I possess strong fundamentals of digital and analog electronics. I am also acquainted with control systems, VHDL, semiconductors, information theory and coding, Microcontroller, digital & wireless communication.

Strong interpersonal skills and influential personality is like icing on the cake. Under your guidance, I can attain best learning experience and be proven a boon for the country and mankind. I leave no stone unturned to accomplish the task given to me. My creativity and versatility adds to my personality. Grooming of my skills and enhancing my practical wisdom and theoretical knowledge under your esteemed supervision will be mutually beneficial for the development.

Education

B. Tech. (Electronics and communication engineering), Guru Tegh Bahadur Institute Of Technology, IP University Delhi, Delhi

August 2018 — Present

Currently pursuing electronics and communication engineering and secured 8.2 GPA as cumulative of 5 semesters.

Class XII, The Modern School Barakhamba Road New Delhi, Delhi

April 2017 — July 2018

Passed Class XII with flying colours (90%) in PCMB and English

Class X, DPS Indirapuram Ghaziabad Uttar Pradesh, Ghaziabad Uttar Pradesh

April 2015 — July 2016

Passed Class X with 10 CGPA and remained continuous scholar since class 4 for consecutively scoring above 80%

Courses

Cyber security internship, Gurugram police

June 2021 — July 2021

Web development , Udemey

May 2021 — June 2021

VHDL and FPGA programming, Udemey

June 2021 — June 2021

Digital system design using vhdI, GTBIT, Delhi

May 2020 — June 2020
