ABOUT ME

- I'm a recent graduate in BSc Mathematics, Statistics and Computer Science.
- I am a creative problem-solver with strong communication and team collaboration skills.
- I am always ready to take up new challenges to broaden my skill set and contribute to innovative projects.
- Some of my strengths would be working well under pressure, being a good team player and being a fast learner.

EDUCATION

**Bachelor of Science
Mathematics, Statistics, Computer Science**
Osmania University
2019-2022

SKILLS

- Good communication skills
- Microsoft Word, PowerPoint, Excel
- C, C++, HTML basics
- Fast learner
- Adaptability

INTERNSHIP

Content Writer **2019-20**
stuMagz
Wrote articles on a weekly basis and posted them on an online platform called stuMagz. The articles received high praise from my peers, faculty and even The Principal.
