

# Bhoomika Jodhani

## Education

### Bachelor of Technology Oriental College of Technology

August 2019 – May 2023 | Bhopal

## Professional Experience

### Information Technology Instructor Bhopal Smart City Development Corporation Limited (BSCDCL)

September 2020 – January 2021 | Bhopal

- Supported in designing and delivering technical training modules to employees of ICCCL & ITMS department meeting specific needs and objectives, while staying updated with the latest industry trends and technologies.
- Assisted in development of engaging instructional materials, such as presentations, hands-on exercises, and reference guides, to enhance learning outcomes.

### Content Development Eklavya

September 2021 – April 2022 | Bhopal

- Contributed significantly to an education-based company as a Content Developer, creating informative educational materials [online courses, assessments, etc.], while also keeping up-to-date with educational trends to ensure accuracy.
- Collaborated with cross-functional teams to develop and implement the requisite content as per the requirements of the customer.
- Translated complex concepts into accessible content, [for example - by converting them into interactive activities, etc.]

### Environmental Outreach Coordinator BHUMI

May 2021 – June 2021 | Bhopal

- Actively engaged in a grassroots campaign organized by an independent non-profit organization- "BHUMI" aimed at raising awareness about eco-friendly practices and sustainable living.
- Collaborated with a diverse team of volunteers to plan and execute various events including tree planting drives, workshops which impacted upon a lot of children, educating children (of Anna Nagar slums) and empowering them to adopt eco-friendly habits.

### Campus Ambassador Verzeo EduTech

March 2021 – May 2021 | Bhopal

- Promoted and represented Verzeo's educational programs and workshops within my campus community.
- Successfully increased participation in Verzeo's campus events by 30% during my tenure.

### Biodiversity Support Volunteer EarthDay.org

September 2022 – October 2022 | Bhopal

- Participated in the Green Revolution program organized by EarthDay.org, a transformative initiative focused on promoting environmental awareness, sustainability, and community engagement.
- Contributed to activities, such as tree planting drives, waste reduction campaigns and renewable energy awareness programs, directly impacting local communities and fostering positive change.
