PROFILE

As an HR intern, you demonstrate a keen ability to learn quickly, adapting swiftly to new challenges. Your enthusiasm for acquiring skills and knowledge makes you well-suited for the dynamic environment of human resources. Your proactive approach and commitment to professional growth set a positive tone for your internship experience.

WORK EXPERIENCE

Cardiac Surgery intern ,
Radiology intern , MUN ,
Medical informatics intern

University of   2020-2022
Szeged

- Cardiac Surgery Intern:
- - Assisted in various cardiac procedures, showcasing a meticulous attention to detail and commitment to patient care.
- - Collaborated effectively with the surgical team, demonstrating strong communication and teamwork skills.
- - Acquired proficiency in handling medical equipment and adhered to stringent safety protocols.
- digital marketing , social media marketing and business development intern
- During my internship as a Digital Marketing and Social Media Business Development Executive, I honed versatile skills. Executed impactful marketing campaigns, driving a 20% increase in online engagement. Collaborated on business development strategies, contributing to a 15% growth in client acquisition. This experience fortified my expertise in the intersection of digital marketing, social media, and business development.
-
-
- Medical Informatics Intern:
- - Applied computer skills to streamline healthcare processes, improving efficiency in data management.
- - Implemented and maintained medical informatics systems, showcasing a high level of technical competence.   2020-2022
- - Analyzed and interpreted healthcare data using Excel, contributing to informed decision-making.
-
- Excel and Computer Skills:
- - Excelled in utilizing Microsoft Excel for data analysis, organization, and reporting during various internships.
- - Demonstrated proficiency in database management, ensuring accuracy and accessibility of critical medical information.
- - Leveraged computer skills to implement and optimize healthcare information systems, enhancing overall efficiency in healthcare delivery.
