PROFILE

Attributes that help me to stand out from the crowd are high motivation, perseverance, and ambition. I'm a Link Building manager with two years of experience and a big desire to dig deeper into this industry. I started as a copywriter, writing and posting content on forums. Slowly, I acquired useful information and the necessary skills to manage a team of 15 copywriters.

EMPLOYMENT HISTORY

Link Building Specialist at Global Database, Chisinau, Moldova
June 2022 — Present

- Create links to enhance the prominence of the website.
- Engage with content: author, review, and refine as necessary.
- Select appropriate thematic forums that align with the website's content for content dissemination.
- Conduct vigilant oversight and analysis of backlinks.
- Establish backlinks through engagement on the Quora/Reddit platforms.
